Keep Your Child Safe From COVID-19 Series

What Is Exponential Growth?

Activity:

Do a diagram to see the exponential growth for COVID-19

Materials:

- Coloured stickers
- Large sheet of paper
- A marker pen

Steps:

1. Paste a sticker to represent 1 infected person on a large sheet of paper.
2. For each sticker, take turns to paste 2 more stickers and draw lines to link.
3. Repeat step 2 until the sheet of paper is filled up.
4. This activity shows us how people infected with the COVID-19 virus can go on to infect others very quickly.
