How Can You Be Socially Responsible?

Keep Your Child Safe From COVID-19 Series

How Can You Be Socially Responsible?

Activity 1:

To learn other ways to greet people other than shaking hands

Materials:

- Nil

Steps:

1. Wave at your family members.
2. Find a family member and do the peace sign.
3. Find a family member and bow slightly.
4. Greet people with body gesture/without body contact is a way to prevent the spread of viruses from one person to another.

How Can You Be Socially Responsible?

Activity 2:

Know that a surgical mask can prevent one from spreading viruses to other people

Materials:

- A surgical mask
- A spray bottle with coloured water

Steps:

1. Gently spray some coloured water on the inner layer of the mask.
2. Check the outer layer of the mask to see if water has gone through it.
3. Wearing a mask when you are sick is another way to prevent viruses from spreading to other people.
